**Public Ruling**  
**General:**

**APPLICATION OF GST TO CERTAIN  
STATE TAXES, FEES AND CHARGES**

*A public ruling, when issued, is the published view of the Commissioner of State Revenue (the Commissioner) on the particular topic to which it relates. It therefore replaces and overrides any existing private rulings, memoranda, manuals and advice provided by the Commissioner in respect of the issue(s) it addresses. Where a change in legislation or case law (the law) affects the content of a public ruling, the change in the law overrides the public ruling—that is, the Commissioner will determine the tax liability or eligibility for a concession, grant or exemption, as the case may be, in accordance with the law.*

## What this ruling is about

1. Under Division 81 of the *A New Tax System (Goods and Services Tax) Act 1999* (GST Act), the goods and services tax (GST) applies to payments of Australian taxes, except those taxes that are specified in a written determination of the Commonwealth Treasurer.
2. The Commonwealth Treasurer has issued a determination that is periodically updated and lists items that are exempt from the GST. The current version of this determination, *A New Tax System (Goods and Services Tax) (Exempt Taxes, Fees and Charges) Determination 2011 (No.1)*, is available on the Commonwealth Treasury website.
3. This public ruling lists the taxes, fees and charges received by Queensland Revenue Office (QRO) which are listed in the determination and which are therefore exempt from GST as a result of the determination by the Commonwealth Treasurer

## Ruling and explanation

4. Under the terms of the determination, the taxes, fees and charges listed in the Schedule which are received by QRO are exempt from GST. Consequently, those taxes, fees and charges do not attract GST and do not increase or decrease as a result of the GST.
5. Penalties, fines and interest (including interest on fuel subsidy overpayments under the *Fuel Subsidy Act 1997*) received by QRO are not included in the determination, as these amounts do not attract GST.

### **Tax assessments and the Australian Business Number**

6. As the taxes, fees and charges collected by QRO are not subject to GST, QRO does not issue tax invoices or include an Australian Business Number on tax assessments or fee invoices issued for those amounts.

### **Freedom of information applications and GST**

7. Fees and charges such as application fees, photocopying charges, charges for copies of documents and charges to view documents under the *Right to Information Act 2009* have also been included in the determination. There has therefore been no increase in these amounts as they do not attract GST.

### **Date of effect**

---

8. This public ruling has effect from the date of issue and is based on the *A New Tax System (Goods and Services Tax) (Exempt Taxes, Fees and Charges) Determination 2011 (No.1)* as approved by the Commonwealth Treasurer which commenced on 1 January 2011.

David Smith  
Commissioner of State Revenue  
Date of issue: 20 September 2021
